Profile

Graphic Designer with expertise in visual design, content creation, and management of social media channels. I am seeking an opportunity to use a thoughtful design process as well as technical skills in Adobe Creative Suite, Microsoft Office and Google programs. I create captivating content for various audiences and creatively draws on inspiration from the natural world in design concepts.

EDUCATION

- Savannah College of Art and Design (2018 - 2019)
- North Carolina State University (2019 - 2023)
  - Undergraduate Degree in Graphic Design
  - 3.6 cumulative GPA & 3.9 Major GPA

SKILLS

- Proficient in Adobe programs such as Photoshop, Illustrator, InDesign, Premiere Pro, Premiere Rush, XD, After Effects and Lightroom
- Proficient in general programs such as Microsoft Word, Powerpoint Presentation, Google Docs, Google Slides, Google Sheets, Figma, Miro etc.
- Proficient in general camera knowledge and photography and especially skilled in both photo and video editing
- Well versed in design thinking and computer literacy
- Fast learner with an ability to problem solve

EXPERIENCE

- Managed an Instagram account and created Reels for a Kathy Howard Portrait in Raleigh, NC (2022)
- Photographed various weddings shadowing Sophie Vinten of Sophie Vinten Photography in Charlotte, NC
- Involved in various design projects through NC State working with notable companies such as Not Impossible Labs
